RESEARCH INTERESTS

- User perceptions and concerns related to immersive systems and technology acceptance research, especially Augmented Reality (AR) (publication of 12 competitively peer-reviewed conference and journal articles, partially topic of my PhD)
- Investigation of informational self-determination of individuals through privacy-enhancing technologies (PETs) and user adoption (publication of six competitively peer-reviewed conference and journal articles, sub-project lead of the BMBF project “AN.ON-Next”)
- Cybersecurity, especially focusing on privacy of individuals in the digital sphere, including analyses of privacy concerns and their ramifications with regard to technology use (publication of three competitively peer-reviewed conference and journal articles besides my research on AR and PETs)
- Artificial Intelligence (AI) and Intelligence Augmentation (IA) and possible effects on the work life (journal publication accepted which analyzes the potential of AR and VR as means for augmenting human intelligence)

EMPLOYMENT

- | | |
|-------------------|--|
| From 06/2022 | Capgemini Invent, Frankfurt am Main, Germany Enterprise Transformation Business Technology Digital Trust & Security <i>Manager</i> <ul style="list-style-type: none">▪ Data governance strategy assessment and development for a European manufacturing and high-tech company▪ Cyber security assessment and strategy development for a large European food retailer▪ Strategy and implementation of a business continuity management system (BCMS) for a globally operating German food retailer▪ Strategy and implementation of an information security management system (ISMS) for a large European retailer▪ Strategy and implementation of an information security risk management process for a large European retailer▪ Project management office for large European retailer▪ Business development and go to market strategy for AI management systems offering |
| 07/2021 – 05/2022 | Goethe University Frankfurt, Frankfurt am Main, Germany Chair of Mobile Business & Multilateral Security <i>Postdoctoral researcher</i> <ul style="list-style-type: none">▪ Management of individual research projects (e.g., on individual autonomy related to augmented reality technologies or contact-tracing apps) |

- Holding an own lecture series on quantitative and qualitative research methods in information systems and HCI for Master students
 - Assistance in proposal writing for calls of the Horizon Europe Framework program and the German Federal Ministry of Education and Research
- 12/2015 – 07/2021 Goethe University Frankfurt, Frankfurt am Main, Germany
 Chair of Mobile Business & Multilateral Security
Research and teaching assistant
 - Research on multiple projects in information systems and computer science funded by the EU and the BMBF
 - Supervision of over 25 seminars, bachelor and master theses
 - Responsible for the teaching administration for the research group
 - Responsible for the organization of the teaching activities of the department of business informatics for the winter term 2021/2022 and the summer term 2022
- 01/2020 – 03/2020 International Computer Science Institute (ICSI) and Berkeley Laboratory for Usable and Experimental Security (BLUES) at UC Berkeley, Berkeley, US
https://blues.cs.berkeley.edu/people/david_harborth/
Visiting researcher
 - Research on privacy in mobile augmented reality applications
 - Collaboration on multiple projects related to usable security and privacy (e.g., related to always-on listening devices)
- 10/2015 – 11/2015 KPMG AG Wirtschaftsprüfungsgesellschaft, Frankfurt am Main, Germany
Senior Associate, Financial Services, Regulatory
 - Analysis of financial regulations and implications on financial institutions
 - Independent realization of consulting projects (including documentation)
- 12/2013 – 09/2015 KPMG AG Wirtschaftsprüfungsgesellschaft, Frankfurt am Main, Germany
Working student, Advisory, Financial Services, Regulatory and Compliance
 - Development and maintenance of KPMG-LexLinks (platform to link national, European and international regulations)

EDUCATION

- 12/2015 – 07/2021 Goethe University Frankfurt, Frankfurt am Main, Germany
Dr. rer. pol. (equivalent to PhD in Economics)
 Thesis title: “Analyzing End User Privacy Concerns and Threats in the Context of Mobile Augmented Reality Technologies”
 Grade: summa cum laude
- 10/2013 – 09/2015 Goethe University Frankfurt, Frankfurt am Main, Germany
Master of Science in Management with specialization in Finance and Information Management
 Grade: 1.7
- 10/2010 – 09/2013 Goethe University Frankfurt, Frankfurt am Main, Germany
Bachelor of Science in Economics and Business Administration with specialization Finance and Accounting
 Grade: 1.9

RESEARCH GRANTS

- 09/2020 Research grant to investigate acceptance factors of the Corona-Warn-App in Germany (5,000€)
 Goethe-Corona-Fonds, Goethe University Frankfurt
- 03/2020 Research grant for user studies on Augmented Reality and Privacy within the funding program “Data rights, shared value, and re-defining ‘privacy’ and ‘security’ with AI/ML and emerging technologies” (7,500\$)
 Center for Long-Term Cybersecurity (UC Berkeley)

CURRICULUM VITAE**DR. DAVID HARBORTH**

| | |
|---------|--|
| 12/2019 | Financial support for the research visit at the International Computer Science Institute (ICSI) (3,500€) German Academic Exchange Service (Deutscher Akademischer Austauschdienst (DAAD)) |
| 01/2019 | Financial support for presenting at the 52nd Hawaii International Conference on System Sciences (HICSS) (1,200€) Freunde und Förderer (Goethe University Frankfurt) |
| 01/2019 | Financial support for presenting at the 52nd Hawaii International Conference on System Sciences (HICSS) (1,000€) Forschungstopf (Goethe University Frankfurt) |
| 06/2018 | Financial support for presenting at the 26th European Conference on Information Systems (ECIS) (910€) Forschungstopf (Goethe University Frankfurt) |
| 10/2016 | Financial support for conducting a large-scale user study on the Augmented Reality application Pokémon Go (3,100€) Forschungstopf (Goethe University Frankfurt) |

PARTICIPATION IN FUNDED RESEARCH PROJECTS

| | |
|-------------------|---|
| 09/2020 – 05/2022 | “A Technical and Socio-Economic Analysis of the Corona-Warn-App in Germany with respect to Privacy” Funded by the Goethe-Corona-Fonds of the Goethe University Frankfurt <i>Project Lead</i> |
| 01/2016 – 06/2019 | “Anonymität Online der nächsten Generation (AN.ON-Next)” (Anonymity online of the next generation) Funded by the German Federal Ministry of Education and Research (BMBF) <i>Sub-Project Lead</i> |
| 02/2016 – 12/2016 | “Technology-supported Risk Estimation by Predictive Assessment of Socio-technical Security (TRESPASS)” Funded by the European Commission's Seventh Framework Program <i>Collaboration in Working Packages</i> |

TEACHING RESPONSIBILITIES

| | |
|------------------|--|
| Winter Term 2021 | Master course: “Research Methods for Evaluating Human Aspects in Information Systems” (main instructor) |
| Summer Term 2021 | Master course: “Privacy vs. Data: Business Models in the digital, mobile Economy” (teaching assistant) |
| Winter Term 2020 | Master course: “Mobile Business I - Technology, Markets, Platforms, and Business Models” (teaching assistant) |
| Summer Term 2020 | Master course: “Information and Communication Security” (teaching assistant) |
| Winter Term 2019 | Master course: “Mobile Business I - Technology, Markets, Platforms, and Business Models” (teaching assistant) |
| Summer Term 2019 | Master course: “Mobile Business II: Application Design, Applications, Infrastructures and Security” (teaching assistant) |
| Winter Term 2018 | Bachelor seminar: “Technology-driven Business Model Innovation and the Role of Digital Platforms” (teaching assistant) |
| Winter Term 2017 | Master seminar: “Research on Augmented Reality” (teaching assistant) |
| Summer Term 2017 | Master seminar: “Augmented Reality: ‘The Next Big Thing’” (teaching assistant) |

CURRICULUM VITAE**DR. DAVID HARBORTH**

| | |
|------------------|--|
| Winter Term 2016 | Master course: "Mobile Business I - Technology, Markets, Platforms, and Business Models" (teaching assistant) |
| Summer Term 2016 | Master course: "Mobile Business II: Application Design, Applications, Infrastructures and Security" (teaching assistant) |

REVIEWER ASSIGNMENTS

| | |
|-------------------|--|
| Refereed Journals | Behavior & Information Technology (BIT), Journal of Management Information Systems (JMIS), Business & Information Systems Engineering (BISE), International Journal of Technology Marketing (IJTMkt), ACM Transactions on Management Information Systems (TMIS), International Journal of Human-Computer Studies (IJHCS), Technology in Society |
| Conferences | International Conference on Information Systems (ICIS), European Conference on Information Systems (ECIS), Hawaii International Conference on System Sciences (HICSS), Americas Conference on Information Systems (AMCIS), Wirtschaftsinformatik (WI), GI Sicherheit, European Symposium on Research in Computer Security (ESORICS), International Conference on Information and Communications Security (ICICS), International Conference on Information Security and Privacy Protection (IFIP SEC), International Conference On Trust, Security And Privacy In Computing And Communications (TrustCom), Annual Privacy Forum (APF) |

CONFERENCE AND WORKSHOP PRESENTATIONS

| | |
|---------|---|
| 08/2021 | USENIX Symposium on Usable Privacy and Security (SOUPS 2021) Presentation title: "Evaluating and Redefining Smartphone Permissions with Contextualized Justifications for Mobile Augmented Reality Apps" Virtual Conference |
| 09/2020 | CLTC Symposium: Data Rights, Privacy, and Security in AI Presentation title: "Evaluating and Redefining the Permissions for Mobile Augmented Reality Apps" Virtual Workshop |
| 07/2020 | 20th Privacy Enhancing Technologies Symposium (PETS 2020) Presentation title: "Explaining the Technology Use Behavior of Privacy-Enhancing Technologies: The Case of Tor and JonDonym" Virtual Conference |
| 12/2019 | International Conference on Information Systems (ICIS) Presentation title: "Investigating Privacy Concerns related to Mobile Augmented Reality Applications" Munich, Germany |
| 06/2019 | International Conference on Information Security and Privacy Protection (IFIP SEC) Presentation title: "Why Do People Pay for Privacy-Enhancing Technologies? The Case of Tor and JonDonym" Lisbon, Portugal |
| 02/2019 | International Conference on Wirtschaftsinformatik (WI 2019) Presentation title: "Unfolding Concerns about Augmented Reality Technologies: A Qualitative Analysis of User Perceptions" Siegen, Germany |
| 01/2019 | Hawaii International Conference on System Sciences (HICSS) Presentation titles: "A Two-Pillar Approach to Analyze the Privacy Policies and Resource Access Behaviors of Mobile Augmented Reality Applications" and "How Privacy Concerns and Trust and Risk Beliefs Influence Users' Intentions to Use Privacy-Enhancing Technologies - The Case of Tor" Maui, US |

- | | |
|---------|--|
| 10/2018 | PET-CON 2018 Presentation title: "Requirements, Standardization and Business Models for Privacy-Enhancing Technologies" Hamburg, Germany |
| 08/2018 | Americas Conference on Information Systems (AMCIS) Presentation title: "JonDonym Users' Information Privacy Concerns" New Orleans, US |
| 06/2018 | European Conference on Information Systems (ECIS) Presentation title: "Augmented Reality – A Game Changing Technology For Manufacturing Processes?" Portsmouth, UK |
| 10/2017 | IEEE International Symposium on Mixed and Augmented Reality (ISMAR) Presentation title: "Exploring the Hype: Investigating Technology Acceptance Factors of Pokémon Go" Nantes, France |
| 09/2017 | International IFIP Summer School on Privacy and Identity Management Presentation title: "Privacy Concerns and Behavior of Pokémon Go Players in Germany" Ispra, Italy |
| 08/2017 | Americas Conference on Information Systems (AMCIS) Presentation title: "Augmented Reality in Information Systems Research: A Systematic Literature Review" Boston, US |
| 06/2016 | 20. Doktoranden-Kolloquium von Simon-Kucher & Partners Presentation title: "Establishing Privacy-Enhancing Technologies (PETs) in Consumer Mass Markets" Bonn, Germany |
